

UAV-VeID RELEASE AGREEMENT

The UAV-VeID dataset, constructed by Media Intelligence and Visual Computing (MIVC), is now available for the academic purpose only on a case-by-case basis. The MIVC at University of Chinese Academy of Sciences is serving as the technical agent for distribution of the dataset and reserves the copyright of all the images and subjective assessment results in the dataset. Any researcher who requests the UAV-VeID dataset must sign this agreement and thereby agrees to observe the restrictions listed in this document.

The researcher(s) agrees to the following restrictions on the UAV-VeID dataset:

- (1) All technical papers, documents and reports which use the UAV-VeID dataset will acknowledge the use of the database and a citation to “Teng, S., Zhang, S., Huang, Q. et al. Viewpoint and Scale Consistency Reinforcement for UAV Vehicle Re-Identification. International Journal of Computer Vision (2020). <https://doi.org/10.1007/s11263-020-01402-2>.”
- (2) The **database will not be further distributed, published, copied, or further disseminated** in any way or form whatsoever, regardless of whether the dataset is modified or not. This includes further distributing, copying or disseminating to a different facility or organizational unit in the requesting university, organization, or company.
- (3) All the dataset will be **used for the purpose of scientific researches only**. The UAV-VeID dataset, in whole or in part, will not be used for any commercial purpose in any form.
- (4) The final explanation of this agreement refers to MIVC.
